Dear Sir:-

I should very much like your collection of "California's Early Spanish Songs." As I am not certain of your address, I am sending no money but wish you would send the book "C.O.D."

Sincerely,

Dear Madam:-

Sending C. O. D. adds considerably to the expense of the purchaser and I am not at all afraid to trust you ! So I sent the book to you by mail post paid with bill enclosed and I am sure you will find the book a joy in your Professional work, and in your personal repertoire.

Sincerely Yours,
